

CANOE REGULATION

1. Canoes can be rented only if the lake water level allows it.
 2. Children up to 9 years old can participate in canoe excursions only as passengers, while those aged 10 and over will paddle like adults.
 3. It is NOT permitted to bring personal canoes into the dam: according to regulations, boats that have been used in other waters are not allowed. Life jackets must be worn during excursions.
-

USEFUL INFORMATION:

- Participants must arrive in Ridracoli at least 45 minutes before the scheduled excursion time.
- In May, June, July and August, half-day or full-day excursions can be booked (also combined with trekking) for groups of at least 10 people.
- Evening, night and trekking-combined excursions are available (daily only by reservation).
- Excursions are always guided by an instructor, and participants are provided with a life jacket to ensure a completely safe activity.
- Free rentals are not allowed.
- Dogs are welcome on board and do not require an additional ticket.
