

E-BOAT TOURS REGULATION

1. The e-boat cannot be booked by phone or radio, except in emergencies. Tickets are available online or at the boarding point on the day of your visit (cross the dam and go to the ticket office next to the kiosk). Online tickets cannot be purchased within 24 hours of the tour.
2. The e-boat ticket is not included in the dam admission fee.
3. E-boat tours operate with a minimum of 4 paying passengers.
4. Disembarkation and any pick-ups must be arranged at departure, with a specified time and purchase of the appropriate return ticket in advance (€ 3.00).
5. The e-boat service is also available on other days outside the regular schedule for groups by reservation, combined with a guided tour (minimum 15 paying participants).
6. Guests staying at the Ca' di Sopra mountain hut must follow the same booking procedures as other visitors and purchase the appropriate ticket. Reservation at the Ca' di Sopra does not grant boarding priority.
7. For safety reasons, pick-ups take place on shore, not on the raft.
8. Dogs are allowed on board and must be kept on a leash. No ticket is required.
